Jack Welsh Has Been Selected to Handle Johnson-Willard Go

Frisco Referee Suffers From Pneumatism and May Decline Honor—Other Fight News.

Havana, March 25.—Jack Welsh, of San Francisco, has been named as referee for the Johnson-Willard fight, which is slated to take place at the principal and promoters tonight, and the promoters sent a telegram to him asking his acceptance.

The fight was booked for Willard; Johnson, for himself. Welsh was selected from a list of fourteen men. Harry Sherman, of Los Angeles, Miss Deane, of New York, were also favored, but Welsh won.

The proposal to name a substitute or an alternate was defeated, and word should be received from Welsh. A physical examination by an American physician disclosed the fact that the heavy-weight champion, who is 34 years of age, is in the ring on April 4th in fine condition; that he is enjoying perfect health and that all the organs are normal.

The physician declared that his condition was remarkable for a man 34 years of age. In addition Johnson has been exhibiting an abundance of spirit and is looking forward with confidence to the coming fight.

Welsh have been completed for stands at the Mariano race course to accommodate between 20,000 and 25,000 people.

The betting on the fight has not been very extensive, but it is estimated that no far less than Johnson the favorite at 2 to 1-2 to 1.

San Francisco, Cal., March 25.—Jack Welsh, the San Francisco referee, who was selected as the third man in the ring at the Johnson-Willard fight in Havana on April 4th, will probably decline the honor. Welsh felt equal to the task.

"I have been suffering from an attack of rheumatism in the past few days," said he, "and unless I feel a lot better within the next day or two, I will be impossible to referee the bout. I am going to talk to the referee and see if I can be replaced."

Tom Flanagan met yesterday for Havana to be present at the Johnson-Willard fight on Easter Sunday. He is leaving today for Havana, where he could learn of the condition of the man Willard has a chance to win if

PUEBLO MAN BOWLED 711 IN THE SINGLES

Florida, Mo., March 25.—W. H. Pierce, of Pueblo, rolled in the singles at the American Bowling Congress tonight, broke all A.B.C. records, when he rolled the score of 711 points. The previous high record was held by T. Hayes of Detroit, who rolled 705 in 1910.

GIRLS TEAM AT SAVOY TO PLAY GAME TO-NIGHT

A number of young men from the Harmony Club will play a picked team from the girls. It is promised to be a lively exhibition, and will doubtless attract a lot of attention.

HAMILTON CLUB ANGLING FOR THIRD BASEMAN MULLINS

Local Club After London Player.

London, March 25.—In response of a well emanating from Bobby Hick, one of the local club directors stated that while he appreciates the poise of the great little left-hander, he cannot see where the London club is likely to find a player as good as they are holding him at only \$500. "This amount is reasonable enough, figuring on the basis of the London club as they are holding him at only \$500. She Was A Gay Deceiver Ever

She looked so charming and so sweet. On this bright Friday morn. And as she passed me on the street. She winked, as sure's yore's here!

The funniest thing I saw on a field happened in Boston quite a long time ago. It was when Bob Emmett, getting caught in the game, was having little else to do except nod to the little audience members.

On that day we were beating the "Reds" of Boston and my partner, who was called Emile every minute. He was winning out of the corner of his eye to try to catch the ball.

When the game was over, the crowd was cheering and the players were celebrating. The game was a success.

One man moved and the umpire, who was called Emile every minute. He was winning out of the corner of his eye to try to catch the ball.

On the field with you, Willie. I know your voice.

No one moved and the umpire, who was called Emile every minute. He was winning out of the corner of his eye to try to catch the ball.
